

Night work and major traffic changes on Unwins Bridge Road, Bedwin Road, May Street, Brown Street, Hutchinson Street and Campbell Street (west)

Utility service installation work will continue on Unwins Bridge Road, Bedwin Road and May Street on **Wednesday 3 October, Thursday 4 October and Friday 5 October**. On **Thursday 4 October**, night work will also be undertaken on Brown Street, Hutchinson Street and Campbell Street (west) to commission a new Sydney Water service. These works will involve major night-time traffic changes.

1) Night work on Unwins Bridge Road, Bedwin Road and May Street

Night work will continue in various locations on Unwins Bridge Road, Bedwin Road and May Street near the Campbell Street intersection to install power and communications conduits underground.

- **Wednesday 3 October 7pm to 5am**
- **Thursday 4 October 7pm to 5am**
- **Friday 5 October 7pm to 5am**

Traffic changes on Wed 3 Oct, Thurs 4 Oct and Fri 5 Oct 7pm to 5am

- A stop/slow traffic set up will be in place at the intersection of Bedwin Road, Campbell Street, May Street and Unwins Bridge Road under the direction of traffic control. Traffic will be maintained in all directions, however please expect delays and follow the directions of traffic control signage and personnel.

Due to the necessary safety and traffic approvals required for lane closures on Bedwin Road and Unwins Bridge Road, this work must take place at night or over the weekend outside of peak volume times.

2) Night work on Brown St, Hutchinson St and Campbell St (west)

A new Sydney Water service will be commissioned in various locations - please see the map overleaf for the locations of this night work. Major traffic changes will be in place during this work including a westbound lane closure on Campbell Street (west) and road closure on Brown Street at the intersection of Campbell Street.

- **Thursday 4 October 7pm to 5am**

Notification No.516

This night work is coordinated by Sydney Water. Some properties in St Peters will be impacted by a Sydney Water night-time service outage in connection with this work on Thursday 4 October between 10pm and 3am. Sydney Water will notify impacted residents.

Traffic changes on Thursday 4 October 7pm to 5am

- Westbound lane closure on Campbell Street (west) between Princes Highway and the intersection of May Street, Bedwin Road and Unwins Bridge Road
- No access into Campbell Street (west) from Campbell Street (east) or from Princes Highway
- Road closure on Brown Street at the intersection of Campbell Street; access to Brown Street via Conway Place only. Parking restrictions will be in place adjacent to the work area on Brown Street from 7am Wednesday 3 October
- Pedestrian access on Campbell Street (west) and Brown Street will be maintained under traffic control

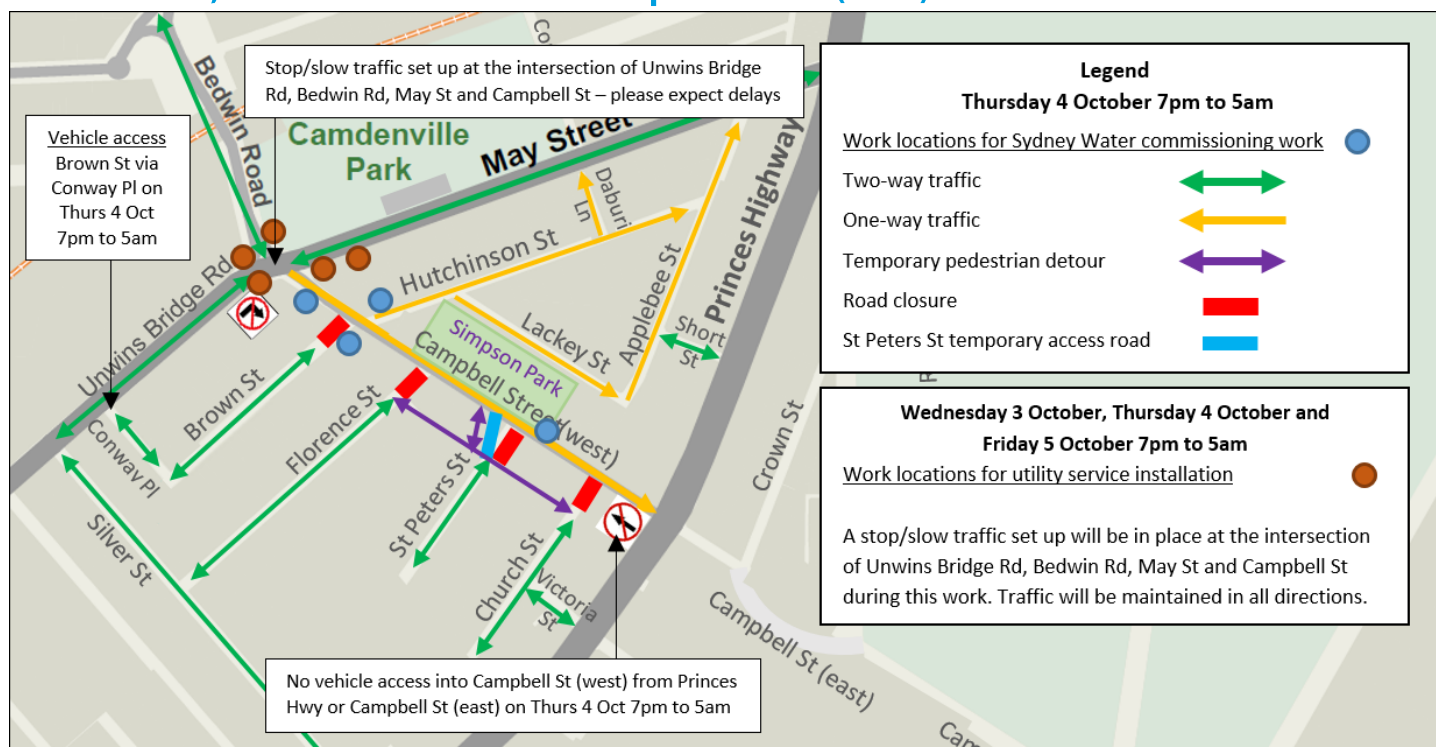

Please note: a stop/slow traffic set up will also be in place at the intersection of Bedwin Road, Campbell Street, May Street and Unwins Bridge Road on Thursday 4 October from 7pm to 5am in connection with utility service installation at the intersection.

How this affects you

Equipment used during these works will include excavators, vacuum trucks, road saw, light towers, construction trucks, hand tools, light vehicles, compaction equipment and traffic control. The site compounds on May street and along the southern side of Campbell Street will be used intermittently throughout the work for storage of materials and vehicle parking.

These works are expected to generate intrusive noise. Every effort will be made to minimise noise and light spill associated with this work by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from residential properties where possible.

Night work and major traffic changes on Unwins Bridge Road, Bedwin Road, May Street, Brown Street, Hutchinson Street and Campbell Street (west)
