

## Ongoing night work and road closures on Gardeners Road, Kent Road and Bourke Road/Street, Mascot

Night work will continue on Gardeners Road, Kent Road and Bourke Road/Street to install, relocate and upgrade power, communications and gas services. Night work for utility service investigation will also take place on Gardeners Road from Bourke Street to O'Riordan Street and on Bourke Road north of the Gardeners Road intersection.

Night time asphaltting work is also scheduled to take place on Bourke Street, between Gardeners Road and Church Avenue.

### What we're doing

Night work will continue from **Monday 22 October to Friday 26 October** from **9pm to 5am** to install underground power and communication conduits to facilitate the future removal of overhead power lines along Gardeners Road and Bourke Road within the Project boundary. New gas mains will be installed, and service investigation work will take place. In addition to this utility work, new asphalt will be laid on Bourke Street between Gardeners Road and Church Avenue.

A map showing the locations of the work is provided overleaf.

### How this affects you

A full road closure on Gardeners Road, Kent Road and Bourke Road/Street will be in place for the duration of each night shift. Access to driveways located on Gardeners Road will be maintained for residents and businesses at all times. Residents and businesses will be required to provide their address to traffic control to be permitted through the road closure to their property.

Equipment used during the work will include lighting towers, hand tools, vacuum trucks, excavators, road saws, bucket trucks, generators, traffic management, construction vehicles, a roller, compactor and asphalt paver.

This work must take place at night, outside of standard construction hours, due to the road closures and approvals required to complete the work. Traffic control, signage, detours and reduced speed limits will be in place to assist local residents and road users to navigate through the changes.

### When

Monday 22 October  
Tuesday 23 October  
Wednesday 24 October  
Thursday 25 October  
Friday 26 October

## Minimising impact on residents

Every effort will be made to minimise noise and light spill associated with this work by scheduling noisy work to take place early in the night where possible, turning of equipment and vehicles when not in use and using non-tonal reversing beepers used on all machinery. Traffic control on Gardeners Road will be setup away from residential properties where possible to minimise light and noise disruption.

## Night work from Monday 22 October to Friday 26 October from 9am to 5am
