

Temporary parking removal on Hutchinson Street; utility night work and traffic changes at the intersection of Unwins Bridge Road, Bedwin Road, May Street and Campbell Street St Peters

From Monday 10 December, two parking spaces will be temporarily removed along the western side of Hutchinson Street. On Thursday 13 December and Wednesday 19 December, utility night work will continue at the intersection on Unwins Bridge Road, Bedwin Road, May Street and Campbell Street.

1) Temporary parking removal on Hutchinson Street

Two parking spaces will be removed along the western side of Hutchinson Street, around 30 metres from the Campbell Street intersection **from Monday 10 December to late 2019**. This will facilitate traffic movement along Hutchinson Street, as a construction compound will be established near the eastern corner of Hutchinson Street and Campbell Street. The parking spaces will be returned once road pavement construction at the intersection of Hutchinson Street and Campbell Street is complete.

Following the establishment of the construction compound, there will be no pedestrian access between Hutchinson Street and Simpson Park, through the gate at the eastern corner of the Campbell Street intersection, for around two weeks. Pedestrians should access Simpson Park through the gates on Lackey Street or Campbell Street during this time.

2) Utility night work at the intersection of Unwins Bridge Road, Bedwin Road, May Street and Campbell Street

Night work will be carried out to install electrical conduits underground and to remove overhead electrical cables from power poles at the intersection of Unwins Bridge Road, Bedwin Road, May Street and Campbell Street. Please see the map overleaf to better explain the locations of this work.

- **Thursday 13 December from 7pm to 5am**
Conduit installation in the left slip lane from Unwins Bridge Road to Bedwin Road
- **Wednesday 19 December from 7pm to 5am**
Removal of redundant overhead electrical cables at the intersection of Unwins Bridge Road, Bedwin Road, May Street and Campbell Street

BUILDING OUR FUTURE

Constructed by

Due to the necessary safety and traffic approvals required from lane closures on Unwins Bridge Road and May Street, this work must take place at night outside of peak volume times.

Traffic changes on Thursday 13 December and Wednesday 19 December from 7pm to 5am

A stop/slow traffic set up will be in place at the intersection of Bedwin Road, Campbell Street, May Street and Unwins Bridge Road under the direction of traffic control. All existing turning movements will be maintained, however please expect delays and follow the directions of traffic control personnel.

Parking restrictions will be in place around the work areas on Unwins Bridge Road and May Street prior to and for the duration of the work.

How night work may affect you

Equipment used during the work on Unwins Bridge Road and May Street will include elevated work platforms, construction trucks, hand tools, vacuum trucks, compaction equipment, lighting towers and traffic control.

This work is expected to generate some noise. Every effort will be made to minimise noise and light spill associated with this work by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from residential properties where possible.

The site compounds on May street and along the southern side of Campbell Street will be used intermittently throughout the work for storage of materials and vehicle parking.

Parking removal on Hutchinson Street, and traffic changes at the intersection of Unwins Bridge Road, Bedwin Road, May Street and Campbell Street
