

Work on the M5 East near Marsh Street and the M5 East off ramp at Princes Highway, Arncliffe

Preparations are underway to install new toll gantries on the M5 East near Marsh Street and the M5 East off ramp at Princes Highway, Arncliffe from Monday 7 January to 31 March 2019 (weather permitting).

What we're doing

The following work will be undertaken during standard construction hours.

- Piling and necessary preparation works
- Tree removal
- Footing construction
- Earthworks
- Tech shelter construction
- Trenching for conduits

How this affects you

Some of these works will be noisy and we will make every effort to minimise impacts to surrounding properties. These works will be carried out during standard construction hours.

The work will take place in the shaded areas shown on the map on the next page.

When required, an exclusion zone will be set-up for these works to ensure pedestrian and traffic safety. Traffic control and signage will be in place to assist pedestrians through these changed conditions. The work area will change during these works.

Equipment used will include excavators, concrete cutters, truck mounted coring machine, cranes, trucks, elevated work platforms, vacuum trucks, road sweepers, concrete agitators, lighting towers, electric hand tools, wood chipper and compressors as well as other construction vehicles.

If you have a question about this work, please call 1800 660 248 (toll free) and ask to speak to a member of the New M5 community engagement team or email info@newm5.com.au.
