How this affects you

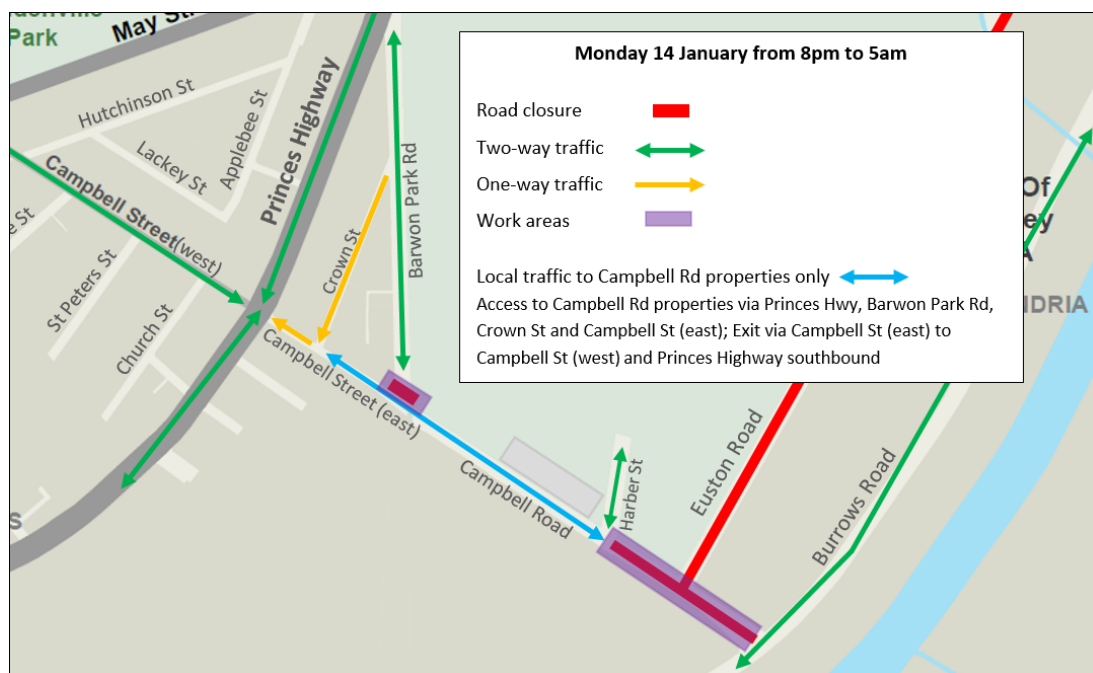

Equipment used during the night work shift on Monday 14 January will include a mobile crane, line marking equipment, light vehicles, construction vehicles, lighting towers and traffic control. This work is expected to generate some noise. Every effort will be made to minimise noise and light spill associated by this work by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from residential properties where possible.

Parking restrictions will be in place along the western side of Barwon Park Road near the intersection of Campbell Street/Road from 7am on Thursday 10 January for the duration of the road closure.
