

Night/weekend work and road closure on Burrows Road St Peters

Traffic changes and a road closure will be in place on Burrows Road between Canal Road and Huntley Street to facilitate utility service work near the Campbell Road intersection.

What we're doing

This work will involve digging trenches on Burrows Road near the Campbell Road intersection for utility service investigation and installation of underground power utilities and a new water main. The road will be reinstated once work is complete.

- **Wednesday 16 January 7pm to 5am**
- **Thursday 17 January 7pm to 5am**
- **7pm Friday 18 January to 5am Monday 21 January (inclusive)**

Traffic changes will be in place during each night and weekend shift. Please see map overleaf to better explain these temporary traffic changes.

Traffic Changes

Night time only: Wednesday 16 January and Thursday 17 January 7pm to 5am

- A stop /slow traffic set up will be in place on Burrows Road and Campbell Road at the traffic intersection
- Access will be maintained for vehicles travelling in all directions, however, please expect some delays

Weekend road closure: 7pm Friday 18 January to 5am Monday 21 January

- Full road closure on Burrows Road from Huntley Street to Campbell Road, local access permitted for Burrows Road businesses north of the Campbell Road intersection via Huntley Street only
- No through traffic between Burrows Road north of Campbell Road and Burrows Road south of Campbell Road
- Access between Campbell Road and Burrows Road via Burrows Road south only
- Access to Burrows Road (south) via Canal Road and Campbell Road only

Traffic control, signage, detours and reduced speed limits will be in place to assist local businesses through the closure. Access will be maintained to all properties under the direction of traffic control. Please expect some delays.

BUILDING OUR FUTURE

Constructed by

How this affects you

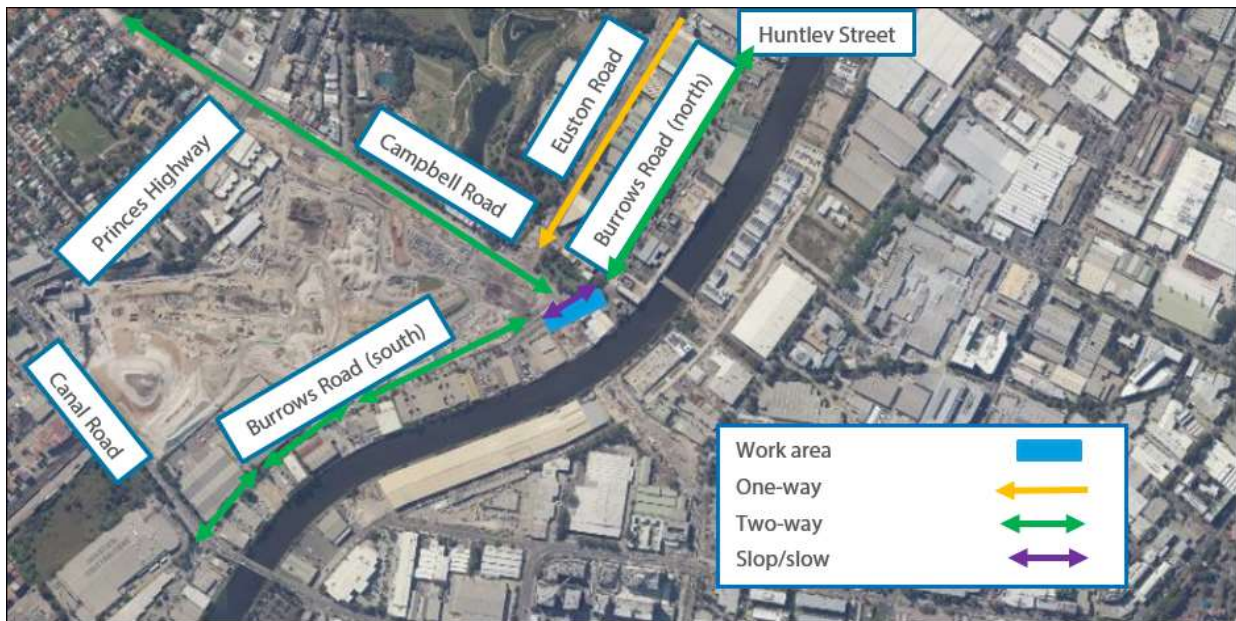

Equipment used during this work will include an excavator, vacuums trucks, road saw, rock breaker, hand tools, construction trucks, light vehicles, compaction equipment, lighting towers and traffic control.

This work is expected to generate high noise. Every effort will be made to minimise noise and light spill associated with this work by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from resident's properties where possible.

The site compounds on May Street and along the southern side of Campbell Street will be used intermittently during the work for storage of materials and vehicle parking.

If you have a question about this work, please call 1800 660 248 (toll free) and ask to speak to a member of the New M5 Community Relations Team or email info@newm5.com.au

Wednesday 16 January and Thursday 17 January 7pm to 5am

7pm Friday 18 January to 5am Monday 21 January (inclusive)
