

Update to N.580: Ongoing night work and traffic changes on Gardeners Road, Kent Road and Bourke Road/Street, Mascot

Night work will continue on Gardeners Road, Kent Road and Bourke Road/Street to install, relocate and upgrade power, communications and gas services. Please note, work areas and timings have changed since the distribution of N.580 on 19 December 2018. Please see the updated details of this work below.

What we're doing

From **Monday 14 January to Friday 25 January** from **9pm to 5am** nightwork will take place to install underground power and communications conduits to facilitate the future removal of overhead power lines along Gardeners Road and Bourke Road. Service investigation work and installation of new street light footings and gas mains will also take place. A map showing the locations of the updated work is provided overleaf.

Equipment used during the work will include lighting towers, hand tools, vacuum trucks, excavators, plate compactor, potholing truck, road saws, bucket trucks, generators, and traffic management and construction vehicles.

Due to the road closures and traffic approvals required to complete the work this work must take place at night, outside of standard construction hours. Traffic control, signage, detours and reduced speed limits will be in place to assist local residents and motorists.

How this night work affects you

Motorists travelling westbound on Gardeners Road from the O'Riordan Street intersection to Church Avenue during scheduled road closures will follow the detour route shown on the map overleaf.

A full road closure on Gardeners Road, Kent Road and Bourke Road/Street will be in place for the duration of night shifts on Mondays, Wednesdays and Fridays. A road closure will be in place on Bourke Road from Gardeners Road to Doody Street from Monday to Friday.

Access to driveways located on Gardeners Road and Bourke Road will be maintained for residents and businesses at all times. Residents and businesses will be required to provide their address to traffic control to be permitted through the road closure. For further details on this detour, please email info@newm5.com.au.

When

Monday 14 January to Friday 25 January

BUILDING OUR FUTURE

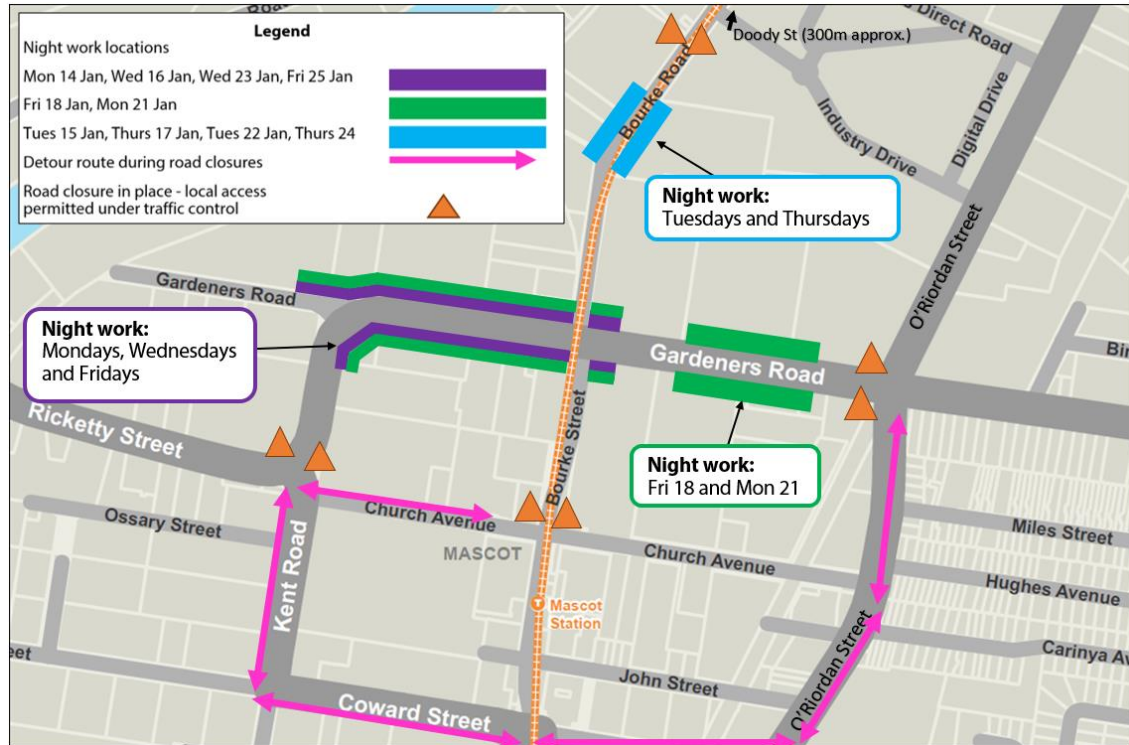

Constructed by

Minimising impact on residents

Every effort will be made to minimise noise and light spill associated with this work by scheduling noisy work to take place early in the night where possible, turning off equipment and vehicles when not in use and using non-tonal reversing beepers on all machinery. Traffic control on Gardeners Road will be setup away from residential properties where possible to minimise light and noise disruption.

Night work from Monday 14 January to Friday 25 January, 9pm to 5am

Date/Time	Work area	Traffic impacts on surrounding areas
