

Day work and road closure on Brown Street St Peters

A road closure will be in place on Brown Street at the Campbell Street intersection to facilitate the installation of underground NBN conduits. The road closure will remain in place from 7am on Thursday 17 January to 6pm on Friday 18 January (inclusive).

What we're doing

The New M5 Project is facilitating the installation of underground NBN conduits across the full width of Brown Street near the intersection of Campbell Street. The work schedule is:

- **Thursday 24 January from 7am to 6pm**
- **Friday 25 January from 7am to 6pm**

Work will take place during the hours stated above, however traffic control will be in place overnight on Thursday 24 January to manage the road closure around the open trenches in the road surface.

Courtesy notice

On Monday 21 January, Tuesday 22 January and Wednesday 23 January from 7am to 6pm, NBN installation work will take place in the eastern footpath on Brown Street for around 40 metres from the Campbell Street intersection toward Conway Place. Vehicle access between Brown Street and Campbell Street will be maintained during this time. For safety reasons, pedestrians may be directed to cross the road to the opposite footpath.

Temporary parking restrictions will be in place on Brown Street adjacent to the work area from 7am Monday 21 January and remain in place day and night for the duration of the work until 6pm on Friday 25 January.

Please see overleaf for traffic changes in place on from 7am on Thursday 24 January to 6pm on Friday 25 January.

When

Thursday 24 January from 7am to 6pm
Friday 25 January from 7am to 6pm
(weather permitting)

Brown Street road closure to remain in place overnight on Thursday 24 January

Traffic changes

In place from 7am on Thursday 24 January to 6pm on Friday 25 January (inclusive)

- Road closure on Brown Street at the intersection of Campbell Street; no vehicle access between Brown Street and Campbell Street
- Vehicle access to Brown Street via Conway Place only
- Pedestrian access between Brown Street and Campbell Street maintained under the direction of traffic control

Traffic control will be in place day and night to manage vehicle traffic and pedestrian access.

How this affects you

Equipment used during the work will include excavators, vacuum trucks, road saw, construction trucks, hand tools, light vehicles, compaction equipment and traffic control.

This work is expected to generate noise however every effort will be made to minimise noise associated with this work by turning off equipment and vehicles when not in use and directing noise generating equipment away from residential properties where possible.

Road closure on Brown Street from 7am on Thursday 24 January to 6pm on Friday 25 January
