

Night work and temporary on-street parking restrictions on Bourke Road between Gardeners Road and Orchard Road, Alexandria

Work is underway to upgrade and widen Bourke Road between Gardeners Road and Orchard Road and to build the new bridge linking Bourke Road to Campbell Road.

What we're doing

Night work is scheduled to occur on the eastern and western sides of Bourke Road. It will also include on-street parking restrictions and tree removal. Temporary on-street parking restrictions will be in place along a section of road on the eastern side of Bourke Road around 250 metres north of Gardeners Road to facilitate utility installation work in the footpath. The parking restrictions will be in place from 7am Wednesday 27 February day and remain in place for approximately 12 weeks.

Due to the necessary road closures, this work will be carried out at night for the safety of road users and workers.

How this affects you

Pedestrians will be detoured around the work area during each night work shift.

Equipment to be used during these works will include hand tools, chainsaw, trucks, elevated work platforms, cranes, light vehicles, lighting towers, road saws and excavators.

A map showing the location of this work is overleaf.

If you have a question about this work, please call 1800 660248 (toll free) and ask to speak to a member of the New M5 community engagement team or email info@newm5.com.au.
