

## Night work and traffic changes on Princes Highway and Unwins Bridge Road St Peters

Due to wet weather forecast for Friday 15 March, planned night work on Princes Highway near the intersection of Campbell Street has been postponed. Night work in this location will continue on Wednesday 20 March and Friday 22 March.

On Thursday 21 March, night work will take place on Unwins Bridge Road.

### 1) Princes Highway

Night work will be undertaken to install new underground power and communications conduits at various locations on Princes Highway near the Campbell Street intersection. Due to safety and traffic requirements, this work must take place at night outside of peak volume times.

Some of this work was originally scheduled to take place on Friday 15 March from 7pm to 5am as notified for in Notification No.642 and was postponed due to predicted wet weather. The updated work schedule is:

- **Wednesday 20 March 7pm to 5am**
- **Friday 22 March 7pm to 5am**

Please note, day work on **Saturday 16 March from 8am to 6pm** to install new underground power conduits on Princes Highway at the Campbell Street (west) intersection is scheduled to go ahead as planned. This work has been notified for in Notification No.642. There are no traffic changes associated with this day work.

### Traffic changes on Wednesday 20 March and Friday 22 March from 7pm to 5am

- Lane closures will be in place on Princes Highway near the Campbell Street intersection. Two-way traffic will be maintained at all times.
- Pedestrian access on Princes Highway will be maintained under the direction of traffic control. For safety reasons, pedestrians may be directed to cross the road to the opposite footpath.

### 2) Unwins Bridge Road

Night work will take place in the western and eastern footpaths on Unwins Bridge Road

Notification No.648

Constructed by

approximately 100 metres south of the Campbell Street intersection to haul a power cable through recently installed conduits. Work will also take place to install two wooden Ausgrid power poles in the eastern footpath approximately 150 metres south of the Campbell Street intersection. The work schedule is:

- **Thursday 21 March from 7pm to 5am**
- **Monday 25 March from 7pm to 5am** - contingency date if the work cannot be completed in one night work shift

**Traffic changes on Thursday 21 March from 7pm to 5am (Contingency: Monday 25 March from 7pm to 5am)**

- A stop/slow traffic set up will be in place on Unwins Bridge Road. Traffic will be maintained in both directions. Please expect delays and follow the direction of traffic control personnel and signage.
- A section of the western footpath on Unwins Bridge Road will be closed from the Bedwin Road intersection around 130 south towards Conway Place. Traffic control personnel will assist pedestrians around the work area.
- Pedestrian access will be maintained on the eastern side of Unwins Bridge Road under the direction of traffic control.

**How this affects you**

Parking restrictions will be in place around the work areas on Princes Highway and Unwins Bridge Road prior to each night shift.

Equipment used during this work will include a road saw, rock breaker, excavator, vacuum truck, construction vehicles, cable hauling equipment, compaction equipment, lighting towers, hand tools and traffic control.

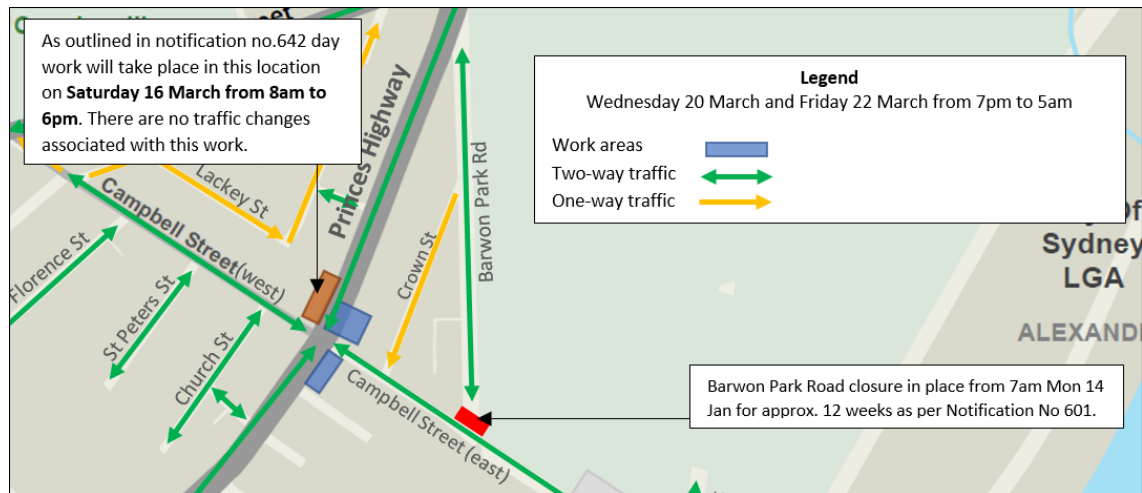

This work is expected to generate noise. Every effort will be made to minimise noise and light spill associated with these works by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from residential properties where possible. The site compounds on May Street and along Campbell Street will be used intermittently throughout the work for storage of materials and vehicle parking.

If you have a question about this work, please call 1800 660 248 (toll free) and ask to speak with a member of the New M5 community engagement team or email [info@newm5.com.au](mailto:info@newm5.com.au)
