

Night and weekend work and road closure on Burrows Road St Peters

A full road closure will be in place on Burrows Road between 6pm Friday 22 March and 6am Monday 25 March to facilitate utility work. Due to safety and traffic requirements, this work must take place on the weekend outside of peak volume times.

What we're doing

Work will take place to install underground power and communications conduits across the full width of Burrows Road, around 70 metres south of the Campbell Road intersection. Work will also take place to investigate and locate existing underground services in the eastern footpath on Burrows Road. The work schedule is as follows:

- **From 6pm Friday 22 March to 6am Monday 25 March**

Please see the map overleaf to further explain the location of this work and traffic changes.

Traffic changes from 6pm Friday 22 March to 6am Monday 25 March

- Full road closure on Burrows Road south of Campbell Road
- Local access to Burrows Road businesses between Campbell Road and Canal Road will be maintained via left turn from Canal Road travelling eastbound only.
- No access to Burrows Road via right turn from Ricketty Street
- Local access to Burrows Road businesses north of Campbell Road will be maintained via Campbell Road or Huntley Street.
- No vehicle access between Burrows Road south of Campbell Road and Burrows Road north of Campbell Road. Access between Campbell Road and Burrows Road via Burrows Road north only.
- Property access to businesses within the road closure area will be maintained under the direction of traffic control from Burrows Road via Canal Road travelling eastbound only.

Pedestrian through traffic on Burrows Road will be facilitated under the direction of traffic control. For safety reasons, pedestrians may be directed to cross the road to opposite footpath.

Notification No.649

Constructed by

How this affects you

Equipment used during the night work on Burrows Road will include road saw, excavator, tipper, vacuum truck, construction vehicles, compaction equipment, lighting towers and traffic control. This work is expected to generate some noise.

Every effort will be made to minimise noise and light spill associated with these works by turning off equipment and vehicles when not in use.

If you have a question about this work, please call 1800 660 248 (toll free) and ask to speak with a member of the New M5 community engagement team or email info@newm5.com.au
