

Day work in Tallawalla Street Reserve, Kingsgrove

Work will be undertaken in Tallawalla Street Reserve Kingsgrove near the Kindilan underpass from Monday 1 April to Sunday 30 June 2019.

What we're doing

Work will be carried out during standard construction hours from 1 April to 30 June 2019. This work is required to complete the installation and upgrade of utility services in the area.

Site establishment will take place on 1 April and remain in place until 30 June 2019. The compound will be located adjacent to the shared pathway at the end of Tallawalla Street Reserve, Kingsgrove.

An exclusion zone will be set-up to ensure pedestrian safety around the work area. A detour will be in place to redirect pedestrian and cyclists on the shared pathway during this time.

Equipment used on site will include:

- Vacuum truck
- Generator
- Concrete cutter
- Water cart
- Hand tools
- Electrical tools
- Construction vehicles
- Cranes
- Excavators

We expect that some of this work will be noisy, however noise modelling has been conducted. We appreciate your patience as we complete these works.

A map showing the location of the work is provided overleaf.
