Constructed by

- **Tuesday 9 April from 6pm to 7am**
- **Wednesday 10 April from 6pm to 7am**
- **Tuesday 23 April from 6pm to 7am**
- **Wednesday 24 April from 6pm to 7am**

How this affects you

Equipment used during these works will include a road saw, rock breaker, excavator, vacuum truck, mobile crane, construction vehicles, compaction equipment, lifter borer, lighting towers, hand tools, track loader with boom, water carts, concrete truck, elevated work platform, lighting tower and traffic control.

These works are expected to generate intrusive noise. Every effort will be made to minimise noise and light spill associated with these works by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from residential properties where possible.

Highly impacted residents will be contacted individually regarding options available during these works.
