

## Weekend and night work on Campbell Street (west) St Peters

Work is scheduled to relocate, install and upgrade utility services and drainage pipes on Campbell Street (west). This work will involve property access restrictions and traffic changes on the temporary access road.

## Weekend and night work on Campbell Street (west)

Weekend and night work is required to install drainage and commission a new watermain along the temporary access road, on the northern side of Campbell Street (west) between Church Street and St Peters Street. This work will involve excavating the road pavement and footpath, cutting the existing Sydney Water assets and connecting it to the newly installed water main.

This work will take place on the weekend and at night to minimise the impact to local businesses during weekday operating hours. The work schedule is:

- **Saturday 13 April from 8am to 6pm**
- **Sunday 14 April from 8am to 6pm**
- **Wednesday 17 April from 7pm to 5am**

Traffic changes on the temporary business access road will remain in place from 8am Saturday 13 April to 6pm Sunday 14 April and on Wednesday 17 April from 7pm to 5am.

## Traffic changes from 8am Saturday 13 April to 6pm Sunday 14 April and on Wednesday 17 April from 7pm to 5am

- Traffic access along the temporary business access road on the northern side of Campbell Street (west) between Church Street and St Peters Street will be maintained under the direction of traffic control signage and personnel. **Please note, there will be no impact to traffic flow on Campbell Street (west).**
- Pedestrian access on the northern side of Campbell Street will be maintained under the direction of traffic control.

## How this affects you

Equipment used during these works will include a road saw, excavator, vacuum truck, construction vehicles, compaction equipment, trench roller, lighting towers, trench roller, hand tools and traffic control.

### When

Sat 13 April 8am to 6pm  
Sun 14 April 8am to 6pm  
Wed 17 April 7pm to 5am

Constructed by

This work is expected to generate noise. Every effort will be made to minimise noise and light spill associated with these works by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from residential properties where possible.

The site compounds on May Street and along Campbell Street and Campbell Road will be used intermittently throughout the weekend and during the night work shifts for storage of materials and vehicle parking.

If you have a question about this work, please call 1800 660 248 (toll free) and ask to speak with a member of the New M5 community engagement team or email [info@newm5.com.au](mailto:info@newm5.com.au).
