

Night work on Princes Highway, Crown Street and Campbell Street (west) St Peters

Work is ongoing on Princes Highway, Crown Street and Campbell Street (west) to relocate, install and upgrade utility services. This work will take place at night and involve a road closure on Crown Street.

1) Princes Highway

Utility night work involving cable hauling and the installation of underground conduits is required at various locations on Princes Highway near the Campbell Street intersection. The work schedule is:

- **Tuesday 30 April from 7pm to 5am**
- **Wednesday 1 May from 7pm to 5am**
- **Thursday 2 May from 7pm to 5am**
- **Monday 6 May from 7pm to 5am** - Contingency date if the work cannot be completed in three nights work

Traffic changes on Princes Highway

- Lane closures will be in place on Princes Highway near the Campbell Street intersection. Two-way traffic will be maintained at all times however please expect delays.
- Pedestrian access during night work on Princes Highway will be maintained under the direction of traffic control. For safety reasons, pedestrians may be directed to cross the road to the opposite footpath.

2) Crown Street

One night work shift is required to excavate the road pavement and install a new underground Optus communications pit on the eastern footpath of Crown Street on Wednesday 1 May from 7pm to 5am.

Traffic changes on Crown Street

- Road closure on Crown Street at the Campbell Street intersection; Crown Street entry and exit via Barwon Park Road and Princes Highway only.
- Two-way traffic permitted on Crown Street under the direction of traffic control.

3) Campbell Street (west)

On **Tuesday 30 April from 7pm to 5am**, work will take place to commission the new water main along the temporary access road, on the northern side of Campbell Street (west) between Princes Highway and St Peters Street. This work will involve excavating the road pavement and footpath, cutting the existing Sydney Water assets and connecting it to the newly installed water main.

Some properties in the area may be impacted by a Sydney Water night time service outage in connection with this work on Tuesday 30 April between 10pm and 3am. Sydney Water will notify affected customers.

Traffic changes on Campbell Street (west) on Tuesday 1 May from 7pm to 5am

- Traffic on the temporary business access road along the northern side of Campbell Street (west) between Princes Highway and St Peters Street will be maintained under the direction of traffic control signage and personnel. Please note, there will be no impact to traffic on Campbell Street (west).
- Pedestrian access on the northern side of Campbell Street will be maintained under the direction of traffic control.

These works are scheduled to take place at night for safety of pedestrians, motorists and workers and to minimise the impact to local businesses during weekday operating hours.

How this affects you

Equipment used during these works will include an excavator, road saw, vacuum truck, cable winch, tipper, construction vehicles, compaction equipment, lighting towers, hand tools and traffic control. These works are expected to generate noise. Every effort will be made to minimise noise and light spill associated with these works by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from residential properties where possible.

The site compounds on May Street and along Campbell Street will be used intermittently throughout the work for storage of materials and vehicle parking.

If you have a question about this work, please call 1800 660 248 (toll free) and ask to speak with a member of the New M5 community engagement team or email info@newm5.com.au.
