

## New M5

### Ongoing night work and traffic changes on Gardeners Road, Kent Road and Bourke Road/Street, Mascot for May 2019

Night work continues on Gardeners Road, Kent Road and Bourke Road/Street to install, relocate and upgrade power, communications and gas services.

#### What we're doing

From **Wednesday 1 May to Friday 31 May** between **9pm and 5am** nightwork will take place to install underground power and communications conduits to prepare for the future removal of overhead power lines along Gardeners Road and Bourke Road. Service investigation work and installation of new street light footings and water mains will also take place.

Equipment used during the work will include lighting towers, hand tools, vacuum trucks, excavators, plate compactor, potholing truck, road saws, bucket trucks, generators, and traffic management and construction vehicles.

This work must take place at night, outside of standard construction hours, due to the road closures and traffic approvals required.

A map showing the locations of the updated work is provided overleaf.

#### How this affects you

A full road closure on Gardeners Road, Kent Road and Bourke Road/Street will be in place for the duration of all night shifts between 9pm and 5am.

Access to driveways located on Gardeners Road and Bourke Road will be maintained for residents and businesses at all times. Residents and businesses will be required to provide their address to traffic control to be permitted through the road closure to their property.

Traffic control, signage, detours and reduced speed limits will be in place to assist residents and road users.

## Minimising impact on residents

Every effort will be made to minimise noise and light spill associated with this work by scheduling noisy work to take place early in the night where possible, turning off equipment and vehicles when not in use and using non-tonal reversing beepers on all machinery. Traffic control on Gardeners Road will be setup away from residential properties where possible to minimise light and noise disruption.

If you have any questions about this work, please call 1800 660 248 (toll free) and ask to speak to a member of the New M5 community engagement team or email [info@newm5.com.au](mailto:info@newm5.com.au).
