Road closure on Hutchinson Street at the intersection of Campbell Street St Peters for approximately 8 weeks

A road closure is required for approximately 8 weeks on Hutchinson Street at the intersection of Campbell Street to construct the new road pavement in this location. The right turn exit from Brown Street to Campbell Street eastbound will also be restricted for approximately 8 weeks to allow for these works.

1) Night work and traffic changes on Campbell Street (west), Hutchinson Street and Brown Street

One night work shift is required from 7pm Thursday 6 June to 5am Friday 7 June to implement a road closure on Hutchinson Street. This night work will involve the installation of signs on Campbell Street, Hutchinson Street and Applebee Street and installation of concrete barriers on Hutchinson Street at the Campbell Street intersection.

Traffic changes from 7pm Thursday 6 June to 5am Friday 7 June

- Road closure on Campbell Street (west) between Florence Street and the May Street intersection.
- Local access only to Campbell Street (west) from Princes Highway northbound or from Campbell Street (east) for Church Street, St Peters Street and Florence Street residents.
- Road closure on Brown Street at the Campbell Street intersection. Vehicle access to Brown Street via Conway Place only.
- Road closure on Hutchinson Street at the Campbell Street intersection.
- One-way southbound traffic permitted on Hutchinson Street (reversed from one-way northbound).
- Two-way traffic permitted on Applebee Street between May Street and Hutchinson Street under the direction of traffic control.
- Access to Hutchinson Street via May Street and Applebee Street or via Princes Highway northbound, Short Street and Applebee Street.
- Pedestrian access between Campbell Street and Hutchinson Street via May Street and Daburi Lane.

Due to the necessary safety and traffic approvals required to close Campbell Street (west) between the May Street intersection and Florence Street, this work must take place at night outside of peak volume times.
2) Road closure on Hutchinson Street at the intersection of Campbell Street for approximately 8 weeks
Following the night work shift on Thursday 6 June, a road closure will be in place on Hutchinson Street at the intersection of Campbell Street for approximately 8 weeks to construct the new road surface in this location. Work at the intersection will take place during standard construction hours: **Monday to Friday 7am to 6pm and Saturday 8am to 1pm**. If work is required outside of standard construction hours, local residents will be notified in advance. Please note; the road closure will remain in place day and night for approximately 8 weeks.

Once this stage of work is complete, the intersection will reopen to traffic as normal with northbound access permitted into Hutchinson Street from Campbell Street. Some remaining work at the intersection will take place including road surface finishing work and landscaping. Residents will be notified accordingly.

**Traffic changes from 7am Friday 7 June for approximately 8 weeks**
- Road closure on Hutchinson Street at the Campbell Street intersection; no vehide access into Hutchinson Street from Campbell Street.
- No right turn for motorists exiting from Brown Street to Campbell Street. Left turn to May Street intersection only.
- Two-way traffic permitted on Applebee Street between May Street and Hutchinson Street.
- One-way southbound traffic on Hutchinson Street (reversed from one-way northbound).
- Hutchinson Street can be accessed via May Street and Applebee Street or via Princes Highway northbound, from Short Street and Applebee Street.
- Right turn from May Street to Applebee Street to be permitted for vehicles under 6 metres (light vehicles)
- Local traffic only on Hutchinson Street south of Lackey Street.
- Exit out of Hutchinson Street via Lackey Street and Applebee Street to Short Street and Princes Highway northbound or to May Street.
- No access into Conway Place for vehicles over 6 meters.
- Pedestrian access between Hutchinson Street and May Street will be facilitated via a footpath along the northern side of Campbell Street.

**How this affects you**
Equipment used during the night work shift on Thursday 6 June will include a mobile crane, line marking equipment, light vehicles, construction vehicles, lighting towers, hand tools and traffic control. This work is expected to generate some noise. Every effort will be made to minimise noise and light spill associated with this work by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from residential properties where possible.

Ten on-street parking spaces will be temporarily removed on the western side of Applebee Street between May Street and Hutchinson Street from **7am on Wednesday 5 June** for approximately 8 weeks to facilitate two-way traffic through this area. Parking on the eastern side of Applebee Street between May Street and Hutchinson Street will remain however the parking spaces will be reversed southbound in the direction of travel.
