

## Ongoing night work and traffic changes on Gardeners Road, Kent Road and Bourke Road/Street, Mascot

Night work will continue on Gardeners Road, Kent Road and Bourke Road/Street to install, relocate and upgrade power, communications and gas services. Night work for utility service investigation will also take place on Gardeners Road from Bourke Street to O'Riordan Street and on Bourke Road north of the Gardeners Road intersection.

### What we're doing

Night work will continue from **Monday 3 December to Wednesday 19 December from 9pm to 5am** to install underground power and communications conduits to facilitate the future removal of overhead power lines along Gardeners Road and Bourke Road within the Project boundary. New street light footings and gas mains will be installed and service investigation work will take place. A map showing the locations of the updated work is provided overleaf.

Please note, the traffic detour from Gardeners Road to Church Avenue during night work road closures has been updated. Motorists travelling westbound from the Gardeners Road and O'Riordan Street intersection to Church Avenue during scheduled night work road closures will now follow the below detour route:

- O'Riordan Street southbound
- Coward Street westbound
- Kent Road northbound
- Right turn onto Church Avenue from a dedicated right turn lane which will be in place during the Kent Road to O'Riordan Street road closures

Motorists must wait until oncoming traffic has come to a complete stop at the Kent Road/Ricketty Street intersection before turning right into Church Avenue. For further details on this detour, please email [info@newm5.com.au](mailto:info@newm5.com.au).

### How this night work affects you

A full road closure on Gardeners Road, Kent Road and Bourke Road/Street will be in place for the duration of night shifts on Thursday 6 December (to be confirmed), Friday 7 December, Monday 10 December, Wednesday 12 December, Friday 14 December, Monday 17 December and Wednesday 19 December. A road closure will be in place on Bourke Road from Gardeners Road to Doody Street during all night work shifts.

**BUILDING OUR FUTURE**

Constructed by

Access to driveways located on Gardeners Road and Bourke Road will be maintained for residents and businesses at all times. Residents and businesses will be required to provide their address to traffic control to be permitted through the road closure to their property.

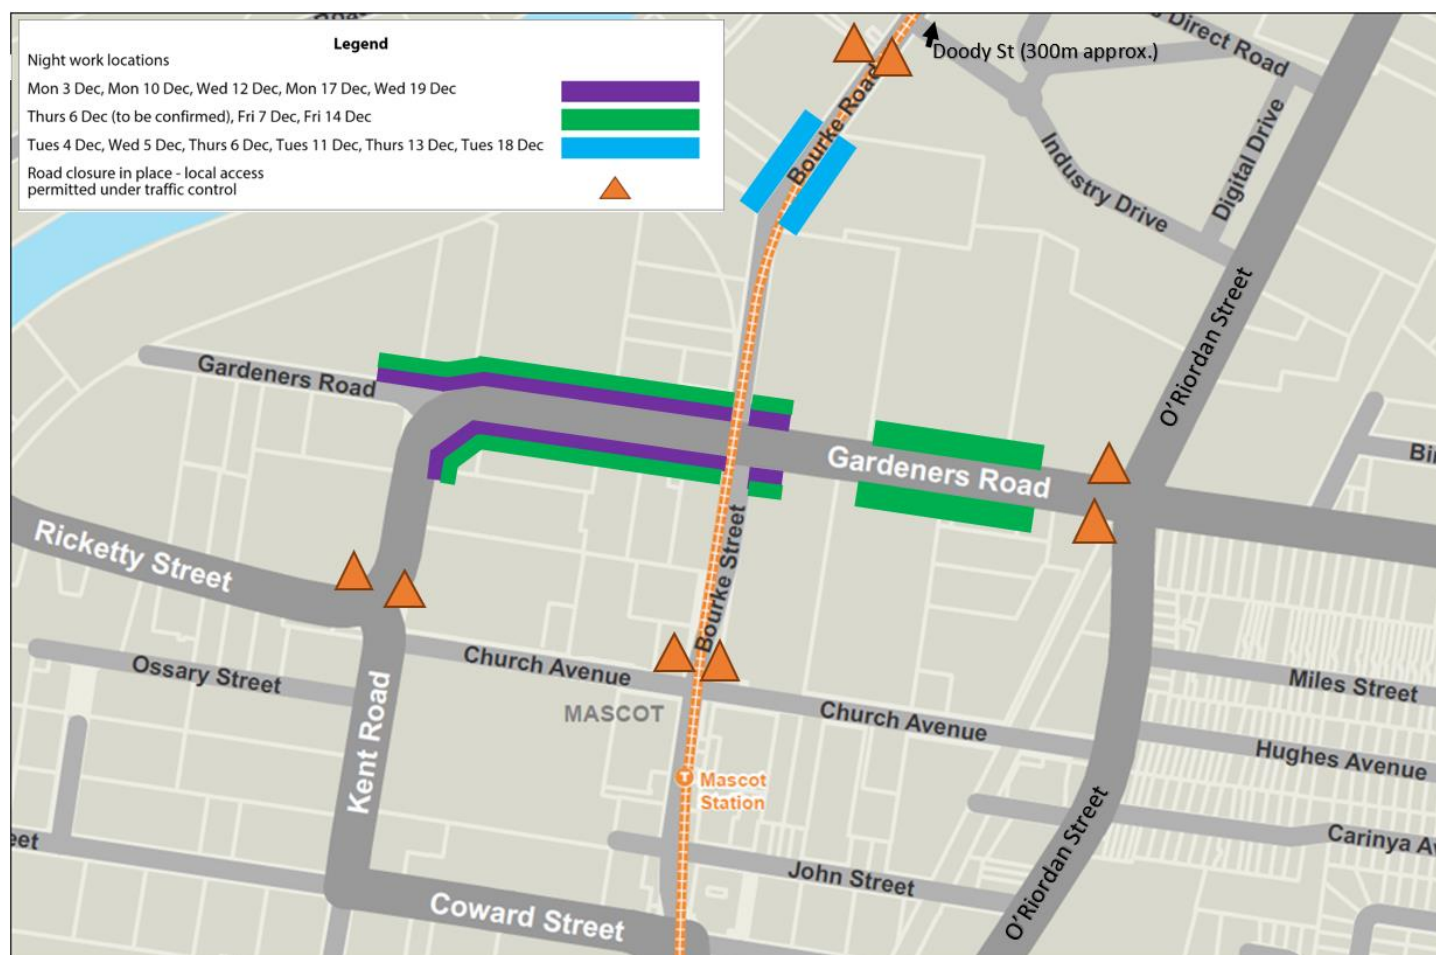

Equipment used during the work will include lighting towers, hand tools, vacuum trucks, excavators, plate compactor, potholing truck, road saws, bucket trucks, generators, and traffic management and construction vehicles.

This work must take place at night, outside of standard construction hours, due to the road closures and traffic approvals required to complete the work. Traffic control, signage, detours and reduced speed limits will be in place to assist local residents and road users to navigate through the changes.

### Minimising impact on residents

Every effort will be made to minimise noise and light spill associated with this work by scheduling noisy work to take place early in the night where possible, turning off equipment and vehicles when not in use and using non-tonal reversing beepers used on all machinery. Traffic control on Gardeners Road will be setup away from residential properties where possible to minimise light and noise disruption.

### Night work from Monday 3 December to Wednesday 19 December, 9pm to 5am

Night work is also scheduled on Gardeners Road on Thursday 6 December and Friday 7 December to relocate the work area from the southern lane to the northern lane. A notification for this work will be provided by Friday 30 December if the work is confirmed.
