

Nightwork at M5 East in Arncliffe

Night work is required during the M5 East shutdown at the on and off ramps at Princes Highway and Marsh Street, Arncliffe.

This work is part of the New M5 project which will double the capacity of the M5 East corridor.

What we're doing

Work on the M5 East on and off ramps and preparation work for the gantry installation.

This work will be carried out over four nights during the existing M5 East maintenance shutdown period from Sunday 13 January to Wednesday 16 January 2019 (weather permitting). These works will be undertaken outside of normal construction hours for the safety of workers and motorists.

Activities for the January shutdown will include:

- Gantry work including footing excavation and concrete work at Marsh St
- Tree removal at Princes Highway and Marsh St
- Service investigation
- Edge protect and footpath construction
- Road sweeping
- Demolition of concrete barrier
- Crane lift for pile cage delivery at Princes Highway

Equipment used will include excavators with rock breaker, concrete cutters, truck mounted coring machine, cranes, trucks, elevated work platforms, vacuum trucks, road sweepers, concrete agitators, lighting towers, electric hand tools, chainsaws, wood chipper and compressors as well as other construction vehicles.

How this affects you

Some of this work will be noisy. Noise monitoring will be conducted for activities undertaken outside of standard construction hours. Any dust generating activities will be watered down to minimise dust. Traffic control and signage will be in place to assist road users through these changed traffic conditions.

When

Sunday 13 January to
Wednesday 16 January 2019
(weather permitting)

Hours of operation

Work will be undertaken
between 10pm to 4am

Where

M5 East near the on and off
ramps at Princes Highway
and Marsh Street Arncliffe
