

Works at the Sydney Park Road / Euston Road intersection in Alexandria

Work is underway to upgrade the Sydney Park Road / Euston Road intersection in Alexandria. To facilitate the construction of new road pavement and footpath construction, trees on the northern side of the Sydney Park Road / Euston Road intersection will be removed.

Work will commence on Tuesday 20 November.

What we're doing

Day work on the northern side of the Sydney Park Road and Euston Road intersection. It will include tree removal. A licenced arborist was engaged in the planning approval process and will be on-site during these works.

A map showing the location of these works is overleaf.

How this affects you

Some of these works will be noisy and we make every effort to minimise impacts to surrounding properties. These works will be carried out during standard construction hours.

Equipment to be used during these works will include hand tools, chainsaw, trucks, elevated work platforms, cranes, light vehicles, road saws and excavators. Traffic controllers will be onsite to ensure pedestrian access will be maintained through the area at all times.

If you have a question about this work, please call 1800 660248 (toll free) and ask to speak to a member of the New M5 community engagement team or email info@newm5.com.au.
