

Night Work on McEvoy Street Alexandria

Night work will be undertaken on McEvoy Street, Alexandria to facilitate trenching for power adjustment work. This work is being undertaken at night under traffic management for the safety of workers, motorists, pedestrians and cyclists. A map showing the location of the work is provided overleaf.

Timing of work

Night work will be carried out on **Monday 9 October and Tuesday 10 October** between **7pm until 5am both days** and is expected to take two shifts to complete, weather permitting.

Scope of work

The work will involve removing concrete barriers and covering signage along McEvoy Street, between **Bowden Street** and **Fountain Street**. This work is required to be carried out at night to limit impacts to traffic during the day. Equipment used during the work will include cranes, trucks, lighting towers, hand tools, Hiab truck and construction vehicles.

Every effort will be made to minimise noise and light spill associated with this work by:

- Scheduling noisy work to take place early in the night where possible
- Turning off equipment and vehicles when not in use
- Using non-tonal reversing beepers on all machinery
- Using eco barrier around our worksite
- Directing noise generating equipment and lights away from residential properties where possible.

Traffic changes

Changed traffic conditions will be in place during this work, including a **temporary closure of the parking lane and stop / go** traffic on McEvoy Street between **Harley Street** and **Fountain Street** as well as reduced speed limits.

Traffic control and signage will be in place to assist road users, pedestrians and cyclists through the changes. If you are travelling through the area, please allow extra time for your journey and follow the signs and directions from traffic controllers.
