

## 6 January 2017

### Property clearing – Bourke Road, Alexandria

As part of the project, two new bridges will be built over Alexandra Canal at Campbell Road and Gardeners Road to connect the New M5 to Alexandria and Mascot. To complete this work, vacant buildings owned by Roads and Maritime Services within the project footprint will be progressively cleared.

Property clearing will be undertaken between **January and April 2017**, weather permitting. A map showing the work areas is provided overleaf.

This work will generally occur between **7.00 am and 6.00 pm from Monday to Friday and between 8.00 am and 1.00 pm on Saturday**. Some work may be required outside of these hours. Residents and businesses will be notified prior to out of hours work nearby.

Work activities will include:

- installing temporary fencing and barriers around the work areas
- removing hazardous materials, as required
- disconnecting, removing and/or relocating utility services such as electricity, gas and water
- salvaging heritage items at Alexandra Canal, as required
- removing trees and vegetation
- progressive property clearing and building removal works.

### Traffic changes

Temporary traffic changes may be required to safely complete this work. This will include road and lane closures, footpath closures and detours, reducing the width of adjacent footpaths, reduced speed limits and temporary removal of some street parking. Traffic control and signage will be in place to guide motorists, pedestrians and cyclists through any changed traffic conditions.

Updates and additional information will be provided to local residents and business as the work progresses.

### Hazardous material removal

Hazardous materials, such as asbestos, have been identified in some of the buildings to be removed. This is common for older buildings.

To ensure the safety of the public and workers, all works to remove and treat hazardous materials will comply with our obligations under NSW Work Health and Safety Act 2011. The work will be carried out by a licensed contractor and air quality monitoring will be undertaken during the removal of asbestos contaminated material.

For more information about managing hazardous materials during property clearing visit [westconnex.com.au/NewM5](http://westconnex.com.au/NewM5).

If you have a question or complaint about this work, please call 1800 660 248 and ask to speak to a member of the New M5 community engagement team or email [info@newm5.com.au](mailto:info@newm5.com.au).
