

10 November 2017

Night work on Gardeners Road, Mascot

Night work will be undertaken at the intersection of Gardeners Road and O'Riordan Street Mascot to install a CCTV camera which will be used for traffic monitoring purposes. This work is being undertaken at night under traffic management for the safety of workers, motorists, pedestrians and cyclists. A map showing the location of the work is provided overleaf.

Scope and timing of work

Night work will be carried out from **Wednesday 15 November** between **7pm and 5am** and is expected to take two nights to complete, weather permitting.

The work will involve running cables into existing conduits and installing and commissioning a CCTV camera. This work is required to be carried out at night to limit impacts to traffic during the day.

Equipment used during the work will include cherry picker, trucks, lighting towers, hand tools and construction vehicles.

Traffic changes

Changed traffic conditions will be in place during this work, including a temporary closure of one westbound and one east bound traffic lane on Gardeners Road, as well as reduced speed limits.

Traffic control and signage will be in place to assist road users, pedestrians and cyclists through the changes. If you are travelling through the area, please allow extra time for your journey and follow the signs and directions from traffic controllers.

Minimising impact to the community

This noise is only expected to create low level noise and light impact to nearby properties.

We will make every effort to minimise these impacts by directing noise-generating equipment and lights away from properties and minimising the use of reversing beepers where possible.

More information

If you have any questions about this work, please call 1800 660 248 and ask to speak to a member of the New M5 Community Engagement Team or email info@newm5.com.au.

You can also visit the New M5 Community Information Centre located at 27 Burrows Road, St Peters. The centre is open on weekdays from 9am to 5pm.
