

## Night work – Sydney Water service connections on Church Street, St Peters Street and Florence Street, St Peters

Night work will be carried out to connect the newly upgraded water mains on **Campbell Street** to the existing water mains on **Church Street, St Peters Street** and **Florence Street**. This work will involve a water service outage so will be carried out at night to avoid daytime water service disruptions.

### Night work

**Church Street, St Peters Street** and **Florence Street** water main connections will be carried out on **Wednesday 22 November** and **Thursday 23 November** between **7pm and 5am**.

This night work will involve a Sydney Water service outage for residents and businesses. Sydney Water will notify affected properties with further details of timings and impacts of this night time water service outage.

Equipment used during the work will include an excavator, plate compactor, vacuum truck, concrete truck, vibrators, lighting towers, traffic control hand tools and light vehicles.

### Traffic changes

Church Street, St Peters Street and Florence Street will be reduced to one lane around the work area while this work is being carried out. Traffic will be maintained in both directions with the help of traffic control.

Please see the map overleaf to better explain the location of the work.

Every effort will be made to minimise noise associated with this work by:

- Turning off equipment and vehicles when not in use
- Using non-tonal reversing beepers on all machinery
- Directing noise generating equipment away from residential properties where possible
- Carrying out preparation work during the day to limit noise impacts at night.

Traffic control and signage will be in place to assist road users, pedestrians and cyclists through the changes. Pedestrian and vehicle access to properties will be maintained at all times.

### More information

If you have any questions about this work, please call 1800 660 248 and ask to speak to a member of the New M5 Community Engagement Team or email [info@newm5.com.au](mailto:info@newm5.com.au).

You can also visit the New M5 Community Information Centre located at 27 Burrows Road St Peters. The centre is open on weekdays from 9am to 5pm.

**ABOUT WESTCONNEX**

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
