Easing congestion

Creating jobs

Connecting communities

### Equipment used

Equipment used during the work will include road saws, jackhammers, compactors, dump trucks, concrete trucks, chainsaws, hand tools, Jemena work trucks, tipper trucks, light vehicles, lighting towers, mobile cranes, Jemena high pressure test equipment, Jemena welding equipment, and excavators.

### Minimising community impact

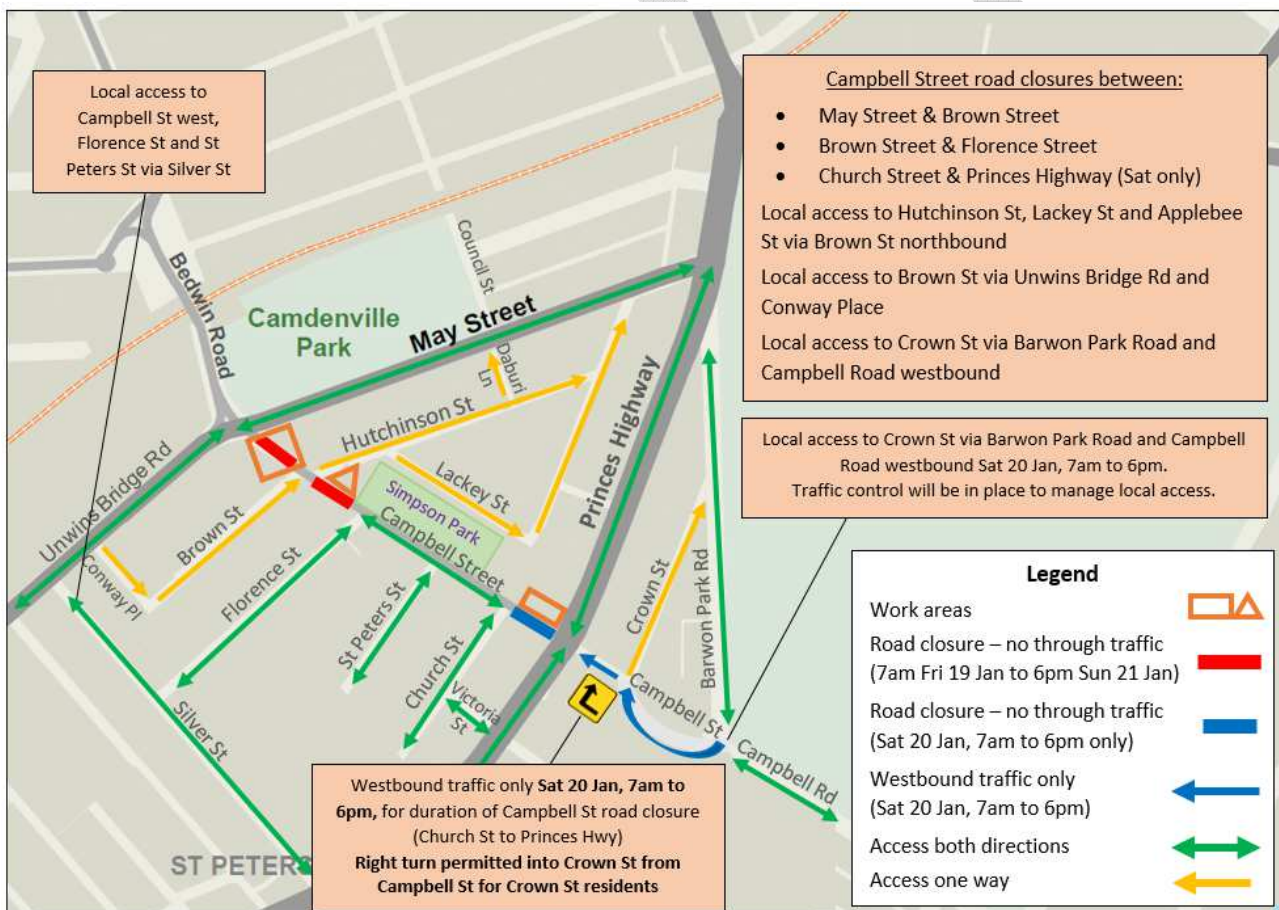

The work is expected to create noise and traffic impacts for local residents and businesses. Every effort will be made to minimise noise and associated with this work including finishing work by 6pm each day and 10pm on Saturday.

Pedestrian and cyclist access will be maintained on the southern side of Campbell Street from May Street to Princes Highway. Traffic control, signage, detours and reduced speed limits will be in place to assist local residents and road users to navigate through the changes.
