

Night work and road closure on Campbell Street (east), St Peters

Night work will be carried out on Campbell Street (east) between Crown Street and Barwon Park Road. To facilitate this work, this section of Campbell Street (east) will need be closed during this night work.

What we're doing

Back filling of a section of the excavation in this area will be carried out in preparation for road pavement construction. A road closure of Campbell Street (east) between Crown Street and Barwon Park is necessary to complete the work. The work must be carried out at night to minimise disruption to traffic during peak times. Work and traffic changes will occur:

- **Monday 12 March 7pm to 5am**
- **Tuesday 13 March 7pm to 5am**
- **Thursday 15 March 7pm to 5am**
- **Friday 16 March 7pm to 5am**

Traffic changes

- Campbell Street (east) will be closed in both directions between Crown Street and Barwon Park Road
- Crown Street traffic will be reversed - southbound traffic only
- Crown Street residents to enter via Barwon Park Road, exit via Campbell Street (east) to Princes Highway and Campbell Street (west)
- No right turn from Barwon Park Road southbound to Campbell Street (east) and Princes Highway
- No access from Campbell Street (west) to Campbell Street (east). Detour via Princes Highway northbound, Sydney Park Road, Euston Road southbound, Campbell Road and Barwon Park Road

Equipment used during this work will include an excavator, roller, tipper trucks, lighting tower, a generator, water pump, hand tools, traffic control and construction vehicles. There will be no concrete saw cutting or jack hammering associated with this work activity.

Traffic control will be in place around the work areas and on surrounding streets to manage road users through the changes.

BUILDING OUR FUTURE

Constructed by

The site compound on the southern side of Campbell Road will be used intermittently throughout the night work for storage and tipping of materials and vehicle parking. The work is expected to create some noise impacts to nearby residents. Every effort will be made to minimise noise and light spill associated with this work by

- turning off equipment and vehicles when not in use
- using non-tonal reversing beepers on all machinery during night work
- directing noise generating equipment and lights away from residential properties where possible.
