

## Girder Delivery and Installation, Full road closures on Campbell Street (east) and Campbell Road St Peters

Work will be carried out around Campbell Street (east) and Campbell Road, St Peters, for the delivery, unloading and installation of concrete girders (large concrete beams) onto the New M5 construction site. A map showing the location is provided overleaf.

### What we're doing

This work involves trucks delivering and unloading concrete girders at night onto the New M5 construction site on Campbell Street (east). Relocation of the crane throughout the girder installation will occur in four different areas (as per map overleaf)

Throughout the duration of this work there will be some day and night road closures. Signage will be in place to facilitate the road closures and detour routes. Traffic control will also be in place to assist local residents.

### Traffic Changes
