

## Night work, weekend work and traffic changes on Unwins Bridge Road and Bedwin Road, St Peters

Work is ongoing to install and upgrade utilities at the intersection of Bedwin Road, Campbell Street, May Street and Unwins Bridge Road. Some of this work will be conducted at night and over the weekend when traffic volumes are lower for the safety of workers, motorists, cyclists and pedestrians.

### What we're doing

Day and night work will be carried out to dig trenches in the road surface to install new power, communications and water services on Unwins Bridge Road and Bedwin Road near the intersection of Campbell Street and May Street.

- **Unwins Bridge Road**  
Friday 4 May, 7pm to 6am; Saturday 5 May and Sunday 6 May, 8am to 6pm
- **Bedwin Road**  
Monday 7 May, Tuesday 8 May and Wednesday 9 May, 7pm to 6am

If work on Unwins Bridge Road is completed ahead of schedule on Sunday 6 May, work on Bedwin Road including associated traffic changes will commence earlier. In this instance work will be undertaken on Bedwin Road during day time hours on Sunday 6 May and then proceed as planned on the nights of Monday 7 May, Tuesday 8 May and Wednesday 9 May.

### Traffic changes

- **Unwins Bridge Road and Bedwin Road work (Fri 4 May to Wed 9 May)**  
The intersection of Bedwin Road, Campbell Street, May Street and Unwins Bridge Road will be controlled by traffic control under a stop / slow traffic set up. Traffic will be maintained in all directions. Please expect delays and follow the directions of traffic control signage and personnel.
- **Unwins Bridge Road work only (Fri 4 May, Sat 5 May and Sun 6 May)**  
The left slip lane from Unwins Bridge Road to Bedwin Road will be closed. A left turn from Unwins Bridge Road into Bedwin Road will be permitted at the intersection under traffic control.

The traffic changes will be in place day and night for the duration of the work.

**BUILDING OUR FUTURE**

Constructed by

Equipment used during the work will include excavators, road saw, concrete truck, construction trucks, hand tools, light vehicles, compaction equipment and lighting towers.

The site compounds on May Street and along the southern side of Campbell Street will be used intermittently throughout the work for storage of materials and vehicle parking.

This work will generate noise. Every effort will be made to minimise noise and light spill associated with this work by

- turning off equipment and vehicles when not in use
- using non-tonal reversing beepers on all machinery during night work
- directing noise generating equipment and lights away from residential properties where possible.
