

Night and weekend work at the May Street, Campbell Street, Unwins Bridge Road and Bedwin Road intersection, St Peters

Night and weekend work is ongoing to install new power and communications conduits and water pipes. This work will involve night-time and weekend traffic changes.

What we're doing

Night work for continuation of utility installation across Bedwin Road.

- Wednesday 13 June, 7pm to 6am
- Thursday 14 June, 7pm to 6am
- Friday 15 June, 7pm to 6am

Weekend day work for continuation of utility installation across Bedwin Road, in the May Street northbound footpath and in the footpath on the corner of Unwins Bridge Road and Campbell Street. Work will be carried out intermittently in the work areas shown on the map overleaf. Work will not be carried out in all locations on all days.

- Saturday 16 June, 8am to 6pm
- Sunday 17 June, 8am to 6pm

Traffic changes on Bedwin Road, outlined below, will remain in place from 8am Saturday 16 June to 6pm Sunday 17 June inclusive. Work will only be carried out during the weekend day time hours outlined above.

Traffic changes

- During Bedwin Road work, the left slip lane from Unwins Bridge Road to Bedwin Road will be closed for motorists. A left turn from Unwins Bridge Road into Bedwin Road will be permitted at the intersection under traffic control.
- Pedestrian access from Unwins Bridge Road to Bedwin Road will be maintained.
- Traffic control will be in place to detour pedestrians around the work areas. For safety reasons, pedestrians may be directed to cross the road to the opposite footpaths.

Traffic control, signage and reduced speed limits will be in place to assist local residents and road users to navigate through the temporary traffic changes.

When

Wed 13 June, 7pm to 6am
Thurs 14 June, 7pm to 6am
Fri 15 June, 7pm to 6am
Sat 16 June, 8am to 6pm

Notification No. 424

Constructed by

How this affects you

Equipment used during the work will include excavators, road saw, vac truck, concrete truck, construction trucks, hand tools, light vehicles, compaction equipment and lighting towers.

The site compounds on May Street and along the southern side of Campbell Street will be used intermittently throughout the work for storage of materials and vehicle parking.

This work is expected to generate noise however every effort will be made to minimise noise associated with this work by installing noise blankets around the work site, turning off equipment and vehicles when not in use and directing noise generating equipment away from residential properties where possible.

Night time work for utility installation from Wednesday 13 June to Friday 15 June, day time weekend work on Saturday 16 June and Sunday 17 June 2018
