

Day work and full road closure on Campbell Street (east); night work and lane closures on Princes Highway, St Peters

From Monday 18 June to Wednesday 20 June, day work is required on Campbell Street (east) to carry out asphaltting of the road surface in this area. On Thursday 21 June, night work will be undertaken on Princes Highway to decommission and remove two existing power poles near the intersection of Campbell Street.

This work will involve traffic changes (please see map overleaf).

Campbell Street (east): Monday 18 June to Wednesday 20 June, 7am to 6pm

Day work will be carried out to lay asphalt in a section of road on Campbell Street between Crown Street and Barwon Park Road. Campbell Street will be closed in this area to carry out the work.

Road surface asphaltting work will also be carried out along the southern side of Campbell Road within the site compound. No traffic changes will be required as part of this work.

Equipment used will include an asphalt paver, roller, construction trucks, hand tools, light vehicles and traffic control.

Traffic changes Monday 18 June to Wednesday 20 June, 7am to 6pm

- Full road closure on Campbell Street (east) between Crown Street and Barwon Park Road
- Traffic on Crown Street will be changed to two-way traffic, entry and exit via Barwon Park Road
- No access into Campbell Street (east) from Campbell Street (west) or Princes Highway

Traffic control will be in place during the road closure to assist motorists, cyclists and pedestrians through the temporary traffic changes.

Princes Highway: Thursday 21 June, 7pm to 6am

Night work will be undertaken to decommission and remove two Ausgrid power poles in the footpath on the western side of Princes Highway near the Campbell Street intersection. This work will be carried out at night for the safety of workers, pedestrians, cyclists and motorists.

BUILDING OUR FUTURE

Constructed by

Equipment used during the work will include an elevated work platform, construction trucks, hand tools, light vehicles, lighting towers and traffic control.

This work is expected to generate some noise. Every effort will be made to minimise noise associated with this work by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from residential properties where possible.

Traffic changes Thursday 21 June, 7pm to 6am

- A lane closure will be in place on Princes Highway northbound around the work area
- Two-way traffic will be maintained on Princes Highway under traffic control

Traffic control will be in place during the road closure to assist motorists, cyclists and pedestrians through the temporary traffic changes.
