

Permanent removal of on-street parking Campbell Road, Alexandria

We are upgrading local roads and intersections around the St Peters Interchange to ensure connections to the New M5 are safe and efficient.

As outline in the New M5 Environmental Impact Statement (November 2015) and Urban Design and Landscape Plan, the final design of Campbell Road does not include on-street parking.

Parking in this area will be permanently removed from **7am Wednesday 20 June 2018**.

What we're doing

- Widening Campbell Street and Campbell Road between May Street, St Peters and Bourke Road, Mascot.
- Building a new road bridge over Alexandria Canal, extending Campbell Road to connect with Bourke Road, Mascot.
- Constructing a new signalised intersection at the corner of Campbell Road and Euston Road, connecting to the New M5 ramps from St Peters Interchange to Kingsgrove.

How this affects you

- Work will begin to build the new pavement on the northern side of Campbell Road.
- On street parking will no longer be available on Campbell Road as per the final design of the New M5 Local Roads upgrade.

When

Currently scheduled for 7am
Wednesday 20 June 2018
