

Utility service investigation work and temporary parking restrictions on Unwins Bridge Road, St Peters

Utility service investigation work involving potholing will begin on **Monday 5 February** along the Unwins Bridge Road eastern footpath between Campbell Street and Silver Street. Parking restrictions will be temporarily in place in sections along Unwins Bridge Road while the work is being carried out. Tree stump removal will also be completed during this time.

This utility investigation work is being carried out in preparation for utility and drainage upgrade work scheduled to take place on Unwins Bridge Road in mid-2018.

Timing and work hour

Work will take place from **Monday 5 February to Friday 2 March** between **7am to 6pm Monday to Friday**, and **8am to 1pm** on some **Saturdays**. The duration of the work is dependent on the findings from the utility service investigations and the location of the utility services below the footpath.

Traffic changes

On-street parking restrictions will be temporarily put in place from 6pm each evening around the area being worked in.

Traffic control, signage and reduced speed limits will be in place to assist motorists, cyclists and pedestrians through the work area. Two way traffic on Unwins Bridge Road will be maintained throughout the work.

Impacts of work

The work area will move along Unwins Bridge Road between Campbell Street and Silver Street in sections. Once work is completed in one section, on-street parking restrictions will be removed and on-street parking restrictions will be put in place around the new work area.

Work will need to be carried out across your property driveway, outside of the property boundary. If a construction vehicle is working across your property driveway at a time when you require vehicle access, please make this known to the traffic control personnel and they will facilitate vehicle access. We apologise for any inconvenience this may cause.

Access to your property will be provided at all times.

Please see the map overleaf to further explain the location of this work.
