

## Underground Bore work - Burrows Road, St Peters

Work will be carried out over three nights to facilitate the underground bore work required on Burrows Road, St Peters within the site compound. (See map overleaf)

### What we're doing

The work will involve the water main being relocated/lowered to facilitate the construction required around Euston and Campbell Road for the New M5.

This work will involve the

- Excavation of the pit during the day
- Setting up of the pipe jacking machine
- Installation of the pipe underground at night for the water main to be connected.

Work hours:

- Tuesday 1 May - 6pm to 7am
- Wednesday 2 May - 6pm to 7am
- Thursday 3 May - 6pm to 7am

We will use a pipe jacking machine, excavator, hand tools and lighting towers to complete these works.

### How this affects you

There should be little impact to residents during this work.

If you have a question about this work, please call 1800 660 248 (toll free) and ask to speak to a member of the New M5 community engagement team or email [info@newm5.com.au](mailto:info@newm5.com.au).
