Signage, detours and reduced speed limits will be in place to assist local businesses and business workers to navigate through the closure.

How this affects you

There may be some impacts to residents during this work, including noisy machinery and lighting. We will make every effort to minimise these impacts by turning off equipment and vehicles when not in use, using non-tonal reversing beepers on all machinery and facing the lighting towers away from any residential properties. In addition every effort will be made to ensure that noisier work occurs earlier on in the night.

We apologise for any inconvenience this may cause.

If you have a question about this work, please call 1800 660 248 (toll free) and ask to speak to a member of the New M5 community engagement team or email info@newm5.com.au.
