

5 December 2015

Dear Resident

The King Georges Road Interchange is being upgraded to reduce local congestion and improve access to the M5 corridor. Work involves widening and extending the eastbound on-ramp and westbound off-ramp between King Georges Road and the M5 East.

**Notification of traffic delays on Coolongatta Bridge**

As part of the work to upgrade the King Georges Rd intersection, the Coolongatta Road Bridge is being widened. The piles have been completed for the new bridge on the western side of Coolongatta Road Bridge. Concrete planks now need to be laid to complete the western side of the bridge. This will involve using large cranes to lift the planks into place. Coolongatta Rd will be stopped intermittently for about 5 minutes each hour over two days while the planks are lifted. The closures will cause delays to traffic of up to 15 minutes. Motorists and residents are advised to allow extra travel time.

**Work will take place for on the southern side of the bridge on Tuesday 15 December and the northern side on Wednesday 16 December between 7am to 6pm, weather permitting.**

On Monday 14 December, a large crane will be installed on Allambee Cres south in preparation for the work on Tuesday 15 December. Residents will be provided with managed access at all times to Allambee Cres south, but may experience delays of up to 15 minutes.

On Wednesday 16 December, work will take place on the northern side of the bridge. The crane will be moved to Booragul St. The intersection of Booragul St and Coolongatta Rd will be closed while the work is carried out. Residents will need to detour via Allambee Cres north. Delays of up to 15 minutes can be expected.

Fulton Hogan thanks you for your patience during this work and apologises for any inconvenience. If you would like further information, please call the WestConnex Info Line on 1300 660 248 and ask to speak to the King Georges Road Interchange Upgrade Community Relations Manager or email [KGRIUcommunity@fultonhogan.com.au](mailto:KGRIUcommunity@fultonhogan.com.au).

Alternatively, visit us at the Community Information Centre in the main site office at 14 Allambee Crescent. The Centre is open from 9am-5pm Monday to Friday and other times by appointment.

**Season's greetings**

The Fulton Hogan site will shutdown for Christmas on Friday 18 December, returning to work on Monday 4 January. We would like to take this opportunity to thank you for your patience this year while we have begun construction work on the project. We wish you all the very best for the holiday season.

Yours sincerely

**Christine Keyes**
