Dear Resident

## Night works and temporary traffic changes on Penshurst Road, Narwee

The King Georges Road Interchange is being upgraded to reduce local congestion and improve access to the M5 corridor. This work involves widening and extending the eastbound on-ramp and westbound off-ramp between King Georges Road and the M5 East.

Work is underway to widen the motorway bridge over Penshurst Road at Narwee. As part of these works, concrete planks will be lifted onto the new bridge spans. This work was scheduled to take place before Easter but was delayed due to bad weather.

During this work, Penshurst Road will be closed to all traffic, except buses, between Grove Avenue and Graham Street on:

- Monday, 4 April from 7pm to 6am
- Tuesday, 5 April from 7pm to 6am
- Wednesday, 6 April from 7pm to 6am

Traffic controls and signs will be in place to direct motorists to the nearest detours. Please allow extra time for your journey on these days. A map of the detours is shown over the page.

Access will be maintained for pedestrians and cyclists and there will be no change to bus routes or stops during these closures.

There may also be intermittent road closures during the day on Penshurst Road. Please allow extra time for your journey.

Thank you for your patience during this work. If you would like further information, please call 1300 660 248 and ask to speak with me or email [KGRIUcommunity@fultonhogan.com.au](mailto:KGRIUcommunity@fultonhogan.com.au).

Yours sincerely
