

14 September 2016

Night work – Euston Road, Alexandria

Work is underway on WestConnex which involves widening and extending the M4 and M5 and joining them to create a free-flowing motorway network.

As part of the project, the New M5 will duplicate the existing M5 East corridor, doubling vehicle capacity and easing congestion between St Peters and Beverly Hills. It will include twin tunnels, an upgrade of King Georges Road Interchange and a new interchange at St Peters. For more information, visit westconnex.com.au/NewM5.

Night work will occur along **Euston Road, Alexandria** to establish a work area for utility and geotechnical investigations adjacent to Euston Road. This work is being undertaken at night under traffic management for the safety of workers, motorists, pedestrians and cyclists. A map showing the location of the works is provided overleaf.

Timing and work hours

The night work is scheduled to start from **Monday 19 September and is expected to take two nights to complete**, weather permitting. The work will be undertaken between **7.00 pm and 5.00 am from Monday to Saturday**. Every effort will be made to minimise the impact of work on nearby residents and businesses.

The utility and geotechnical investigation work will be carried out during the day between **7.00 am and 6.00 pm from Monday to Friday** and **8.00am to 1.00pm on Saturday** and is expected to take eight weeks to complete, weather permitting.

Work activities

The night work involve:

- installing concrete safety barriers and fencing
- implementing traffic and pedestrian management.

Equipment used during the night work will include trucks, lighting towers, crane trucks, light vehicles and hand tools.

The utility and geotechnical investigation work will be carried out between the Metromix site entrance and the entrance to the public car park on Euston Road.

Traffic changes

Changed traffic conditions, including temporary lane closures, removal of on-street parking, stop-go arrangements and a reduced speed limit will be in place for **eight weeks** during the investigation works. Traffic control and signage will be in place to assist road users through these changes.

Work to widen Euston Road is scheduled to start in late 2016. During the widening work, parking spaces along one side of Euston Road will be removed and traffic changes will be in place.

If you have a question or complaint about this work, please call toll-free 1800 660 248 (24-hours) and ask to speak to a member of the New M5 community engagement team or email info@newm5.com.au.
