

7 September 2016

Utility investigation work – Brown Street, Florence Street, St Peters Street, Church Street and Hutchinson Street, St Peters

Work is underway on WestConnex which involves widening and extending the M4 and M5 and joining them to create a free-flowing motorway network.

As part of the project, the New M5 will duplicate the existing M5 East corridor, doubling vehicle capacity and easing congestion between St Peters and Beverly Hills. It will include twin tunnels, an upgrade of King Georges Road Interchange and a new interchange at St Peters. For more information, visit westconnex.com.au/NewM5.

From **Monday, 12 September 2016**, work to locate underground utility services will be progressively carried out on the following streets:

- Brown Street
- Florence Street
- St Peters Street
- Church Street
- Hutchinson Street.

A map showing the work locations is provided overleaf.

This work will occur between **7.00 am and 6.00 pm from Monday to Friday and 8.00 am and 1.00 pm on Saturday**. The utility investigation work is expected to take one week to complete, weather permitting, and will be undertaken at each location for one to two days during this period.

The work will involve:

- scanning the ground
- excavating a small hole using high pressure water from a vacuum truck
- implementing traffic and pedestrian management to ensure the safety of motorists, pedestrians, cyclists and workers.

All worksites will be restored to their original condition after the work is completed.

Traffic changes

The work will involve some temporary changes including reduced speed limits, footpath diversions and short-term removal of street parking around the work area. Any on-street parking spaces required to complete the work will be coned off the afternoon prior to work commencing in each street. Parking will be reinstated immediately after the investigation work is complete.

Traffic control and signage will be in place to assist local residents, road users, pedestrians and cyclists navigate through the work area. Street and property access will be maintained throughout the work.

If you have any questions or complaints about the work, please call 1800 660 248 and ask to speak to a member of the New M5 community engagement team or email info@newm5.com.au.

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
